

# SHOP TILL YOU DROP

## San Francisco 2008

San Francisco shopping was such a great success we are busy planning 2008. The trip is one week of shopping and laughter, including sightseeing, great restaurants and the theatre. If you wish to frequent some of San Francisco's great bars, well it can include that as well.

At the moment:

**DATES:** Around the third week in July 2008

**DURATION:** One Week

**COSTING:** Until flights are available and numbers confirmed we can only estimate approximately AUS\$3500. This includes flights, transfers, accommodation and the services of myself and Sandra Martin.

**NO. OF SHOPPERS:** Due to the personal service given to each client we have to restrict numbers to 8 clients.

**CONFIRMATION:** If you would like to be one on the lucky shoppers you can place a non-refundable \$100.00 deposit.
